GIVE A GIFT THAT MAKES A REAL DIFFERENCE

For many of us, as we grow older, the gifts we give and receive grow less important, but we still want to take advantage of the special occasions and holidays to acknowledge our appreciation of our friends, family and associates in some meaningful way.

The **Share Literacy Alternative Giving Program** allows you to give a gift much more meaningful than jewelry or a necktie. You can give a gift that keeps on giving and benefits children and families with far fewer advantages than we have. Businesses are welcome to participate in this program.

To participate in the Share Literacy Alternative Giving Program, all you need to do is make a list of the names and addresses of those on your birthday or holiday gift list who you want to acknowledge, then send it to us along with your donation. And for every \$25 donation you make, we will send an attractive card to a person on your list telling them that you have given a gift in their name.

Inside message:

A gift in your name has been received by ISHK's literacy program, Share Literacy (www.shareliteracy.org). This program provides beautiful full-color illustrated Hoopoe books to disadvantaged children throughout the USA. For many children, the book they receive through Share Literacy is the first they own.
